☐ The Juvenile was convicted of this summary offense and has failed to comply with the sentence imposed.

☒ Additional delinquent acts are alleged on attached pages, which are incorporated herein by reference.

All of which are against the peace and dignity of the Commonwealth of Pennsylvania, or in violation of an ordinance of a political subdivision.

Wherefore, your petitioner asks the Court to fix a hearing to inquire into the matters alleged concerning the above named Juvenile and to make such order as deemed appropriate.

Further, if the Juvenile is found to be delinquent and is to enter placement or commitment, or otherwise be removed from the Juvenile's home at disposition, the petitioner asks the Court to enter such order of disposition, to determine that to allow the Juvenile to remain in the home would be contrary to the welfare of the Juvenile; to determine whether reasonable efforts were made to prevent such removal of the Juvenile from the Juvenile's home; or if preventive services were not offered due to the emergency nature of the situation, safety considerations, and circumstances of the family, whether this level of effort was reasonable.

If the Court determines, pursuant to 42 Pa.C.S. § 6332, that reasonable efforts were not made to prevent the initial removal of the Juvenile from the Juvenile's home, your petitioner asks the Court to determine, prior to entering an order of disposition under 42 Pa.C.S. § 6351, whether additional information is now available that would allow for a finding that such efforts were reasonable or whether reasonable efforts are underway to make it possible for the Juvenile to return home.

The Petitioner verifies and acknowledges that the facts set forth in the petition are true and correct to the petitioner's personal knowledge, information, or belief, and that any false statements are subject to the penalties of the Crimes Code, 18 Pa.C.S. § 4904, relating to unsworn falsification to authorities.
